Education

Bsc (Hons) Software Engineering

NSBM Green University | Sri Lanka |2022-2026

Projects

Portfolio Website

Built a responsive, personal portfolio website using React.js, with a custom-designed UI for an interactive and engaging experience. Showcasing my skills, projects, and achievements, along with easy CV access.

Repository link   Deployment link

Jewelry shop Website

Designed and developed a e-commerce frontend for a jewelry shop using React. Built an elegant UI with smooth navigation and interactive product displays. Ensured optimized performance with a well-structured component-based architecture.
