PROFESSIONAL PROFILE

I am a very dedicated and focused student who is currently studying at NSBM Green University to study for a Bachelor of Science in Software Engineering. I have successfully completed my first year.

EDUCATION

- **BSc (Hons) in Software Engineering-UGC (GPA - 3.321)**
  NSBM Green University(2022-2026)

- **GCE A/L (Physical science)**
  Bomiriya Central Collage.(2020)

- **GCE O/L**
  Bomiriya Central Collage.(2016)

PROJECTS

- **E-commerce website**

This is a e-commerce website project about Orenco Hotel. It is an exciting study that explores technology, teamwork, and the difficulties and benefits of creating something concrete. Equipped with the fundamental understanding of HTML, CSS, JavaScript, and PHP, we set out on this endeavor. Every team member contributed their distinct abilities to the group.

- **Festival website**

Using HTML, CSS, and JavaScript, I created a festival website that immerses visitors in the realm of international festivities. My objective was to produce an aesthetically pleasing, responsive, and interactive platform that embodies the spirit of various festivals across the globe. This one-of-a-kind project demonstrates my dedication to web development's technical proficiency and artistic expression.
